Elected City/Village Officials
Marion County

Please be advised that you are cordially invited to a County and Community Board Meeting to be held at 5:00 P.M., Room 301, major courtroom of the Marion County Courthouse, on Tuesday, July 23, 2024.

Purpose of this meeting is to discuss on how the county can assist in the control of animals in incorporated and unincorporated areas within the county.

Please note this has been an ongoing issue, not only within our county, but other counties within the state.

This will be a work session with your Participation to assist in resolving some issues and have future goals to set and meet.

Licensed animal housing facilities within the county are limited and not equipped to house the volume of dogs being brought rescued. We also understand that everyone's budget is at its maximum.

Please remember this is a work session and we understand the issues and frustration you and residents of Marion County have experienced. Hopefully, some good can come out of this meeting and other meetings held specifically for animal control.

Mr. Bill Henson is the chair of this committee, and is anxious for your ideas.

Please try to attend this meeting since it concerns everyone within our county.

We look forward to seeing you.

Debbie Smith
Marion County Board Chair
